MINE CONTAMINATION MAP

A R E A : Map Sheet 2683-III

SCALE 1:50.000

WARNING / ATTENTION/ UPOZORENJE

This map shows areas with known contamination of mines and unexploded ordnance. All other areas are to be treated with caution. Updated information is available from Mine Action Centre - Sarajevo, Regional Offices and EUFOR Mine Cells.

Ova karta pokazuje područja sa poznatim prisustvom mina i neeksplodiranih sredstava. U svim ostalim područjima potrebno je primijeniti mjere opreza. Azurirane informacije možete dobiti u Centru za Mine - Sarajevo. Regionalnim uredima i EUEOR-u.
